<sup>1</sup> Manufacturer's Recommended Drive Away Price (MRDP) is for the vehicle in the configuration and with each of the options and other features installed in the vehicle as available for sale from the listed dealer (includes Recommended Dealer Delivery charge, Government taxes and statutory charges) at the time of publishing and based on the State or Territory where the Dealer is located. If you register the vehicle in a different State or Territory, the MRDP may vary from that above as a result of differences in price components such as stamp duty or registration fees. The MRDP is based on the owner being a 'rating one' driver aged 40 with good driving record. Actual drive away price is subject to agreement with the selling dealer and will differ depending on choice of dealer and individual circumstances. Contact your Audi dealer of choice for final pricing of vehicles available from that dealer. Audi Australia Pty Ltd does not warrant the accuracy of any of this information as applicable to your particular circumstances and to the extent permitted by law is not liable for any claims or losses of any nature, including, but not limited to, damages, expenses, lost profits, punitive, special, indirect or consequential losses/damages caused by reliance on this information.

<sup>2</sup> Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

<sup>3</sup> Availability of vehicles at individual dealers is based on Audi Australia records at the time of publication. Real time availability cannot be guaranteed and should be confirmed with individual dealers. Images are digitally generated according to exact vehicle specifications from factory systems of the vehicles available for sale at the specified dealers, and may display overseas configurations. Prices displayed are the Manufacturer's Recommended Drive Away Price for the individual vehicles (including optional equipment fitted)<sup>1</sup>. Contact the selling dealer for details on any specific vehicle, final dealer pricing, or financing information.
